## MILITARY MEDALS AWARDED BAILEY AND LIVINGSTONE

The Wainwright men members of the 49th Battalion have been honored in receiving military medals for gallant and distinguished conduct of the battlefield. They are Peter Livingstone and J. Baile.

Some time ago it was reported that these men amongst others had been recommended for this high distinction but the rumor is now confirmed.

The information comes direct from Captain Geo L. Hudson to Mr. P.E. Ross of the town. Mr. Hudson says he is justly proud of the way these men have conducted themselves in the thick of the fight. Other names he said had been mentioned for the medals and they would have them but death came to soon to them. Other men in the letter to Mr. Ross here mentioned as being well and in good condition.

Wainwright may well be proud of the men who are in 49th and to other regiments at the front. And will rejoice with Mr. Livingstone, Mr. Baile and their friends in this high honor that has been conferred after them.

## DOGS CAUSE DAMAGE TO EXTENT OF \$60

Mr. F.E. Fratus appeared before the town council last evening with a complaint that some of Wainwright's superabundant dog force had caused him considerable loss of property. They had destroyed his chickens and carried away his meat. The extent of the damage, he said was between \$50 and \$60 dollars and wanted to know if he could get compensation from the town. He pointed out to the council that in other towns of the Dominion there was a separate fund, raised from dog licenses or otherwise provided, for this purpose. Our town has not provided any such fund yet but its erection may not be so very far away.

On first consideration, the council thought it could only offer Mr. Fratus sympathy in his loss. But after considerable discussion it was agreed that something should be done. On the recommendation of the mayor a motion was drawn up by H.A. Cook and Herb Smith, referring the matter to the By Law committee. This committee will in all probability draw up a by law authorizing the creation of a separate fund for such cases, which however would need to be carefully guarded against abuse.

## FIRST SESSION OF NEW COUNCIL WAS BUSY ONE; SECRETARY H. PAWLING IS RE-APPOINTED

MAYOR MATTHEW GREER

Matthew Greer the newly elected Mayor of Wainwright first saw the light in the early sixties being born in Kingston, Ont. but when quite young moved with his parents to Napawa where he received his education in the Public schools of that enterprising burg. Upon reaching manhood he migrated to Victoria Country and engaged in the lumbering business. In 1912 he got the western fever and after a tour of the West decided to settle in Wainwright. Soon after his arrival home he entered into partnership with Colin Cattle (who was a victim of the German on the Lusitania) in the livery and sales stable business in which he is still engaged. In 1914 he was elected to the Council. At the urgent request of a large number of ratepayers he assumed the Mayoralty and was elected to that office by acclamation. Prior to coming West Mr. Greer was for over 8 years Treasurer of the combined Township of Laxton, Digby, & Longford an experience which amply fits him for the trying and onerous duties which pertain to the Mayoralty of this flourishing town. In creed he is a Methodist. Above all he is a Citizen whom every body delights to honor.

## AGRICULTURAL SOCIETY ELECT OFFICERS FOR 1917

The Annual Meeting of Wainwright Agricultural Society was held in the Council Chambers on Wednesday Dec. 13th. The following officers were elected.

President, George A. Smith; re-elected; First Vice, Fred Perkins; Second Vice, A. McLean; Third Vice, R.A. Watson; Directors: Bowerman, Hanson, S. Merrick, W. Fox, R. Smith, P. O. Haymes, Snyder, Lawthwaite, C.A. Harden, Crawford, W. Moffat.

James Primrose was appointed Auditor, and S.D. Mills Secretary Treasurer, for this year 1917.

Members of the school staff Miss Parson, Miss McAllister and the Misses Strang, who spent the Christmas holidays in Edmonton returned on Tuesday and took up their duties on Wednesday.

Mrs. R.K. Swenerton and her sister Mrs. Munn are amongst the Eastern visitors. They will be away for the winter season, visiting Toronto and other eastern cities.

## TOWN EMPLOYEES

The town of Wainwright, through its secretary has made the following appointments: General utility man, W. R. Gane, night watchman, Carl Isteead, scavenger, Roy Shaffer.

## Bachelors Ball At Orange Hall

The Bachelors of Gift Edge wishes to announce that they will hold a dance in the Orange Hall at Gift Edge on Friday January 12th good music will be furnished. Admission 75 cents ladies admitted by cake.

## IRMA MAN FOUND FROZEN TO DEATH IN NORTH COUNTRY

Frank Hermance of Irma, formerly in the employment of Stewart and Peterson, a member of a hunting party left last fall for the North of St. Paul de Metis.

The party it seems camped at Fox Lake on December 17th. Mr. Hermance being an inexperienced hunter started off from camp alone at night. When he did not return after a considerable length of time the others set off in search for him. They found him quite dead and frozen about 10 miles north of the town. Tracks in the snow would seem to indicate that he made tremendous efforts to reach camp.

Theory has it that Mr. Hermance when he started from Irma in the company of W.E. Walker had the sum of \$300 on his person. When he was found there was no money in the pockets. The suspicion is that there has been foul play and it is understood that Mr. W.E. Walker is being held accountable.

Hermance was a young man of about 25 years of age, had no relatives in this country, having come from Illinois where his people now reside.

Miss Edith Bowen, who with her mother visited Edmonton last week, was a patient in the hospital under the care of Dr. Allen, who performed two successful operations. In one case removing the tonsils and in the other the adenoids. Mrs. Bowen and Miss Edith returned on Thursday.

Mr. A. Yockney of the Edmonton Journal staff was a visitor in town last week.

**BORN**—At the home of Mrs. Lewis on January 2nd to Mr. and Mrs. H. Knott, a 9lb. Boy.

The New Mill building of Walton and Little will be completed this week end. They have secured the services of an experienced miller who will arrive from Saskatoon on the 15th.

C Church left Monday with a carload of stock to St. Paul, Minn.

Billie Moffat left by Sunday train for North Augusta, Ont. where he will spend a two months holiday with his parents.

The regular meeting of Adeline Rebekah Lodge will be held in their Lodge room to night (Thursday).

Mr. Rollins of the Merchants Bank staff, Viking spent the holiday with James Primrose of this town.

Amongst the many items of business transacted at the first meeting of the 1917 council were the following:

All accounts must be in the hands of the council the last week of each month else they cannot receive attention until the next month.

The different committees of the council are to meet on first Monday evening of each month to prepare their business for presentation at the regular council meeting which is to be held once a month and on the first Tuesday after each first Monday.

The finance committee presented a budget of \$800.70 which on the motion of Couns. Cook and McQueen was ordered paid.

By Law No. 90 introduced by Couns. McQueen, authorizing the re-appointment of H. Y. Pawling as town secretary, treasurer at the salary of \$125 received its first second and third reading and was finally passed. This was the first by-law to which the Mayor, attached his official signature. Great satisfaction was expressed by all members of the council with Mr. Pawling's services in the past.

The application of Mr. Skinner, one of the employees, for a raise in salary from \$80 to \$100 a month was again heard but not granted as the council felt the town could not afford to pay more at present for such work as Mr. Skinner is doing. The application of Mr. Skinner was also heard by the services of Town Secretary H. V. Fieldhouse, well worth retaining. He is to be paid a retainer fee of \$50 a year, which means that in case of suit against the town he will not act for a complainant against the town. Apart from the above named amount he receives regular fees for all professional services.

It was thought advisable for the town to enter into negotiation for the sale of the present town team, and the purchase of another that would grow into money. The matter was left in the hands of the property committee, together with the assistance of Couns. Simmerman.

The Board of Health officers were appointed, Mr. Crampton remained on the board and Mr. G. Carrell and J. Gerow were, on the motion of Couns. H. Smith and McQueen re-elected.

Dr. Middlemas was re-appointed Health Officer for 1917 at a salary of \$75 per annum.

The appointment of a general utility man, night watchman and town scavenger was left in the hands of the secretary.

Evidently the position of general utility man is considered an enviable one for there were some half dozen or more applications sent into the council. All were anxious to secure the job. It is worth \$75 per month.

The council debated at some length the applications of Mr. Skinner and Mr. King both town officials, for extra charges for attending fire outside of working hours. The councillors all spoke on the point. They were anxious to be fair to those men and yet at the same time conserve the peoples money. The conclusion however was reached that it was part of their duties to attend to all fires in the town and that they were not entitled to extra charges. It is true that voluntary firemen are paid 50 cents per hour for attending fires and

## NEAT SUM TO BELGIAN RELIEF

The boys, and girls, and children attending the St. Thomas church, brought in last Sunday a nice offering of \$25 in the relief of suffering children in Belgium. The Vicar was more than pleased, and thanked the children heartily for their excellent collection.

Mrs. Lessell, will send the money to the proper quarters in Edmonton.

## MENS CLUB TO MEET IN COUNCIL CHAMBER ON THURS.

The "Mens Club" which is now organized will commence its work for the remainder of the winter, in the Council Chamber, kindly placed at their disposal by its first President, our respected Mayor.

It will meet to-morrow (Thursday) night at 8 p.m. in the Council Chamber, and is open to all the men of our town and district.

The Syllabus will be a further discussion of the problems that are likely to arise after the War and their bearings upon the "Empire Colonies."

Two exceedingly neat tables for checkers and whist, have been presented to the club. Other gifts are also promised.

Its organizer, the Vicar of St. Thomas will be present on Thursday night to answer any questions relating to the object and the management of the club but after that he will leave its working and development entirely in the hands of the President and the Committee.

Mr. P. C. Haymes manager of the Union Bank went to Edmonton Sunday night where he met Mrs. Haymes who was returning from Vancouver. Both arrived in Wainwright Tuesday.

It was on this score that these men made the application. But it was understood that these men who are entitled to the small remuneration are not paid in other departments of the town. On the motion of Counsellors Cook and Simmerman the application was not granted.

DEPUTY-MAYOR H. A. COOK

## 49TH BATTALION'S XMAS GREETINGS NEW YEAR WISHES

Through Captain Geo L. Hudson the STAR received the Xmas greetings, and New Year wishes card from the 49th Battalion.

The card is very well gotten up and seems to be designed for the use of the men of that popular and heroic regiment.

The card says: "The officers non-commissioned officers and men of the 49th Battalion (Edmonton Regiment) wish you the complements of the season."

The thought expressed on the card of the men who have made such a noble stand on the battle field, it is this: "In this world where much is to be done and little is to be known, help us to play the man. Give us to go blithely about our daily task, eager to be happy if happiness is to be our lot, or if the day be marked with sorrow, strong to endure."

## LETTERS TO THE EDITOR

I shall appreciate it very much if you will kindly print the following short letter in your most valuable paper.

On behalf of the Signalling Section and myself of the 202 Sportmen's Battalion I wish to thank all those who so kindly presented us with cakes, pies, cigarettes, cigars and tobacco and lastly but by no means least their hearty welcome and good wishes for a safe journey and quick return to our fair and Sunny Province of Alberta.

Most of your presents lasted us until we reached the Atlantic Coast. We were inspected at Ottawa by the New Governor General of Canada. We had a very smooth sea voyage across but at that the fish were well fed by most of the boys. We arrived at Witley Camp, but are likely to go on to "Bramshot" any day. Drafts are moving out for the front almost every day, anyhow we hope to get six days leave shortly to visit home or friends.

I hope you will excuse me for not giving a fuller description of our journey, but we are under orders of the "Commo." which have to be obeyed. Again thanking you one and all for your kindness, and also the Editor for printing this short Epistle.

From one of your Wainwright boys in Khaki.

202. Battalion

At the hour of eleven o'clock on January the second, the mayor and councillors for 1917-18 met in the council chamber in solemn convocation. The meeting was marked with dignity and solemnity, and a feeling of solemnity. The new mayor and councillors in taking the formal oath of office did "solemnly promise and declare that they would 'truly and impartially, to the best of knowledge and ability execute their office given them by the municipality.'"

Mr. H. Y. Pawling in his official capacity, in a formal declaration handed to the duly elected mayor, Matthew Greer, the keys of Wainwright.

The mayor being successfully installed in his office, proceeded to assign the councillors their chairs. On his right he placed Herb Smith and H. A. Cook members of the old council, and on his left he placed, Counsellors George Smith and Arthur Scofield, while Counsellors McQueen and Simmerman were given the central seats.

The next act of the mayor was to appoint his deputy, which honor he conferred on Counsellor H. A. Cook, being a councillor of experience, which office he is to retain for the first 3 months of the year.

The following committees of council were then formed, the first named in each committee being chairman:

Public Works: Herb Smith, George Smith and Bad Simmerman.

Finance: H. A. Cook, Bad Simmerman and Dr. McQueen.

Assessment and Property: George Smith and Bad Simmerman.

Fire Water and Light: Bad Simmerman, H. A. Cook, and George Smith.

By Laws: Dr. McQueen, A. Scofield and Herb Smith.

Health, Parks, and Cemetery: A. Scofield, Dr. McQueen and Bad Simmerman.

**SPEECH FROM THRONE**

Mr. Greer in his speech before the council, outlined in very earnest, clear and unmistakable terms his policy and what he considered to be the duty of each councillor. A great deal of the successful working of the council depended on strong committee work, which to some extent had been weak in past, and particularly upon the chairman of the committees. Each committee man was indirectly responsible to the people, he thought, and directly responsible to himself. He addressed each of them in particular, charging them with their duties and responsibilities.

"Take your positions seriously, more so than ever before," said the newly installed mayor. "I feel proud to be associated with you, men of ability and sound judgement. With such a cabinet as this I would not hesitate to take the Premiership of the province of Alberta (laughter and applause). The old ship came into our hands in pretty good condition, thanks to the mayor and councillors of 1915-16. We today steer her out into new waters. 'Trouble some times and adverse tides' may be ahead of us, but if we are in danger of being swamped we will just call upon our pilot, H. Y. Pawling (applause)."

Without such a secretary as he is, I would not consider for a moment of acting as mayor of this town. A few planks in the old ship have been weak, such as our credit, but it is getting stronger, and we will leave it stronger. Our risk is one of the weak spots, but with persistence and hard work we will overcome it. Continued on Back Page

## JUSTICE AND PERMANENCE

PEACE PROPOSALS are still, and likely to continue for some time to be the dominating thought in the minds of national leaders. It is pretty well agreed by the Allied countries that there are two objectives toward which these negotiations should be directed. The one is Peace and the other is Permanence. These two are necessarily very closely connected. They are so closely united indeed that no peace can be permanent that is not just.

## LIKELY TERMS OF SETTLEMENT

THE TERMS upon which the Allies will come to a settlement of the strife might be Germany to evacuate the territory she has occupied; Belgium to be restored to independence and reimbursed in full for all she has suffered; France and Russia to be compensated for their devastated lands; Serbia's claim so be made good; Great Britain should have something for the loss of her merchant shipping and Germany should be made suffer for her violations of law and brutality to humanity.

## CANADIAN POTATOES ADMITTED MORE FREELY TO U. S. A.

THE DEPARTMENT of Agriculture has just been advised of an important amendment to these regulations. Hereafter permits will be issued to United States importers by the Federal Horticultural Board at Washington for the admission of Canadian potatoes at any port of entry instead of at certain designated ports as at present and without inspection at the port of entry, except when such inspection is specifically required by the Board; but each shipment must be accompanied by two copies of a certificate of soundness signed by the shipper certifying that the potatoes are as sound as is commercially practicable and that the shipment contains not more than ten per cent of potatoes showing traces of scab, dry rot, or other potato diseases taken altogether.

Canadian shippers in obtaining from the United States consignment the number of his permit should ask to be supplied enough copies of the certificate of soundness to cover the individual shipments to be made.

Shippers are warned that the offering for entry to the United States of potatoes not up to the standard of the certificate of soundness may lead not only to the rejection of their particular shipments, but also to the cancellation of existing permits and the refusal of new permits as to such shippers.

Further information respecting these regulations may be obtained on application to the Dominion Botanist, Central Experimental Farm, Ottawa.

## SIGNS OF COMPLETE VICTORY

SOME TIME AGO one of the great fighters in the Allied cause said there could be no end to the war until our ancient foe, alcohol, could be subjugated and finally overthrown. We learn from the newspapers of the old land that the cords are being tightened around this enemy. "The government is preparing measures for the further control of the production and sale of alcoholic beverages which may go so far as absolute prohibition."

As far as Scotland is concerned it is said that the government measure will prohibit the manufacture and sale of whiskey in that land and a similar step is to be taken with regard to England and Wales.

In Ireland the government from the first of January will take over the Irish distilleries and turn them into munition factories.

The government of France has decided to prohibit throughout the whole country the use of all alcoholic beverages.

Other Countries are doing the same thing. In the United States the Judiciary Committee of the House of Washington decided to recommend that a constitutional amendment be submitted to the people forbidding the manufacture and sale of liquor for beverage purposes throughout the Republic.

In our own land, recently a Dominion Prohibition Committee was formed at Ottawa, with Mr. Justice Lafontaine of Quebec as President. It is the purpose of the committee to carry on an aggressive campaign for a dry Canada.

In Quebec, the only province in the Dominion where the traffic holds sway legislation is about to be enacted which will abolish the bar.

In our own province "Bootleggers" are to be given heavier penalties. The Judicial, Military and Provincial authorities have asked the Attorney-General's department to petition the government that an order in council be passed under the War Measures Act that any person making an illicit sale of liquor to a soldier should be punished by fine or imprisonment or both.

The provincial government is also asked by the above named authorities, to amend the provisions of the Liquor Act so that any illicit sale of liquor under the act be punished by fine or imprisonment for a first or all offences. The countries at war are waking up to the fact that when they stop wasting grain to make whiskey they may have enough to eat. There are signs of complete victory over our ancient national foe.

## THE CIVIC TEN

THE ELECTIONS are over. The Mayor and Councillors have taken the oath of office. They are evidently anxious to work in the best interests of the town. To help them in this it might be well if the memorize again the old laws in new form. There are the modern civic ten commandments with which they may

not be familiar. They are the old ten dressed up in new garb and here humbly submitted for the personal and guidance of our "town fathers."

1. Love thy country, which has redeemed thee from tyranny and bondage.
  2. Thou shalt not honor cliques, nor bow down to them nor serve them.
  3. Thou shalt not take the name of citizenship in vain, nor use it to hide thy selfish motive.
  4. Remember council meeting to keep it holy.
  5. Honor the people who elected you to office that your term of service may be long.
  6. Thou shalt not kill the spirit of freedom by neglecting to exercise the prerogative of a freeman.
  7. Thou shalt not adulterate the purity of civic life by entering it for selfish greed or gain.
  8. Thou shalt not steal the public funds.
  9. Thou shalt not let greed for municipal honors bear false witness against the spirit of good citizenship.
  10. Thou shalt not covet any other or greater honor than to serve the best interests of the people.
- If our newly elected mayor and councillors will observe to do all these civic commandments they will be held in the highest esteem and honor by all the people.

DON'T think of the New Edison Diamond Amberola just as a reproducer of topical songs or band selections. Its great value as a home entertainer is its versatility.

Take the present popularity of dancing. With a New Edison in your home, you may have a delightful dance as often as you like, with music that a millionaire could not improve.

You can have all the latest dances played by the finest bands and orchestras, with the tempo set by the masters of dancing so that you get the exact rhythm.

Or—if you prefer the regular waltzes and two-steps, you may choose from many when you have the New Edison.

Or—you may have a night at the opera—a vaudeville or musical comedy evening—and on Sundays enjoy "the hymns that live" as sung by soul inspiring quartettes.

There's a winter's entertainment and a winter's delight in

### SHIPPING BARLEY EAST

Barley from Alberta is now finding a market in Ontario for breakfast cereal purposes. Nick Raitinger, of Claresholm, who has already gained a reputation as a champion barley grower of Canada, is shipping in carload lots to the eastern market, where he finds a market for all his own supply. Raitinger's barley crop this year averaged over twenty-five bushels to the acre. He also raised about 100 bushels of wheat, averaging forty-two bushels to the acre.

### GILT EDGE

Presentation to Mr and Mrs Joseph McClenahan by members of the Orange Hall, Gilt Edge last week. This was the second occasion on which they were honored by the people of that community on the eve of their departure for the east. The following addresses were made in the course of the presentation to Mr and Mrs McClenahan:

"Dear Mr McClenahan, we, the officers and members of the L.O.L.: No. 1087, Gilt Edge, feel it our painful duty, since you are leaving our community and jurisdiction, to obliterate your name from our roll. It is with deep regret that we part with you. During the eight years you have been a member of this lodge you have contributed yourself with the utmost credit. Our lodge will suffer a great loss in your departure."

"In going east, your lot will be cast amongst strangers, but our humble prayer, and sincere hope is that they will ever extend to a true welcome and brotherly fellowship. And trust that in whatever lot your life in the future may be cast or whatever your circumstances you will be true to the principles of our beloved order."

"As you are about to leave the sheltering walls of our lodge room we ask you to accept this emblem as a token of the esteem in which you are held by the brothers of this lodge. Should it, never again be our privilege to meet again in the world, we hope to meet again in that better land where parting is never known."

"And you, Mrs McClenahan, we the members of the lodge have always found in you, a willing and eager helper, sympathetic and ever ready to help in all our lodge undertakings. In fact you have proven yourself a true Orangeman's wife. We therefore deeply regret that we are so soon to lose you. As a token of our love and esteem for you we ask you in the name of lodge to accept this small gift, with which we bid you health and happiness in your new home."

Mr and Mrs McClenahan replied as follows:—"Brother Orangemen" and Mr McClenahan. "This address and valuable gift has come as a great surprise to me. I am sure, since I only did what was my plain duty as a citizen of this community and as a member of this lodge, I am unworthy of such tokens of appreciation. But since it is the will of the brethren I am sure I shall never forget their kindness and brotherly love towards me. I regret having to part with you but circumstances are such that I can no longer remain absent from the east. I thank you most heartily for kindness to me and my family and for this last token of esteem and wish you prosperity and strength as a lodge and community."

Mrs McClenahan also made a very appropriate reply:—"I thank you, Brethren of the lodge, for the kindly interest you have always taken in anything I have tried to do in the interests of lodge and district. I cannot tell how much I appreciate the kindness you have shown me this evening. I assure you however that your gift will always be treasured and will bind us closer together even though we are separated by many miles of space. I wish you all happiness and prosperity in the future."

Mr and Mrs McClenahan leave very shortly for Ontario where they will reside in the future.

their hearts are in the right place.

Master Murray Mardock is home this week. He is attending High School at Winnipeg.

**GRAIN MARKETS**

WAINWRIGHT, Jan. 2.—Winnipeg wheat closed 1/2¢ higher for May with July at 17 1/2¢, 1/2¢ under the opening. May only was up 1/2¢. First named No. 1 Minnesota wheat sold at 17 1/2¢ in May and 17 1/2¢ in July.

After the early lunch wheat trade died away and the volume for the day was light. The market was mostly in the hands of the New York. Exporting houses declined any business, while the local business preferred to remain quiet for the moment. There was little wheat on offer until May showed up in afternoon, when prices taking dropped sharply. The work of German's preparation of summer grain caused a break of 1/2¢ in all markets. No. 1 Minnesota wheat sold at 17 1/2¢ in May and 17 1/2¢ in July.

The cash market for a very short day. Demand for wheat was limited and the offerings small. One new farmer with practically nothing for sale.
